

**Mid-State
Regional Emergency Medical
Advisory Committee**

**Policy Statement
Supersedes #07-02**

**Hemostatic
Agent
14-01**

Midstate Region Agencies are approved to carry REMAC approved Hemostatic Agents to control traumatic bleeding.

- **Use of Approved Hemostatic Agent is an Agency Option**
- **It is the responsibility of the agency to have a written policy for the use of Approved Hemostatic Agent, including approval of the agency medical director.**
- **All manufactures directions are to be followed**
- **All providers are to be trained in the proper use of Approved Hemostatic Agent at the Agency level.**
